Pastor's Corner

Dear Parishioners,

This year for the RCIA course, I will be using The Question & Answer Catechism by the Servant of God, Fr. John Hardon S.J.

This is what Saint Teresa of Calcutta said about it: "This catechism is a clear exposition of the teaching of the Church. It should be taught in schools and colleges, in religious formation programs, and in the family. Written in simple style, it is easy to understand, and it leaves no doubt in the mind as to what is required of us by the Church, as children of God and followers of Jesus Christ. To be fruitful, our study of catechism must be a prayer, for if we pray, the fruit of prayer is deepening of faith and we will believe, and if we believe we will love, and if we love we will be able to go and proclaim the good news to the poor- through works of love- that are always works of peace. My prayer for you who use this book is that through its use you may grow in the knowledge of the faith taught by Christ through His Church and so become holy as your Heavenly Father is holy."

The tragedy in our times is that the majority of Catholics do not know their faith. Or if they know what the Church teaches, they reject it because it hinders their plans or selfish motives. Ultimately, this stems from not knowing Christ, not loving Christ, and not having a relationship with Christ. This much is made clear with the coming elections. For example, how many Catholics show support for sins that cry out to heaven for vengeance such as willful murder (abortion, euthanasia) and sodomy (same sex 'marriage')? Our Lord calls us to be the salt of the earth and the light of the world ... What a tragedy not to live up to this calling!

If we know our catechism well and if we can communicate that knowledge clearly, and if we know and love Our Lord and can communicate this to our neighbor, we'll be one step closer to being what Christ wants us to be in this world.

As to the course format, there will be assigned reading to complete before the class which will meet every third Thursday of the month at 6 p.m. During those classes, I will not simply be reading the texts and
