

Corner Cont.

-At long last we are having the exterior of the building repainted so it looks fresh and sharp. Various entrances will continue to be locked as this project moves forward. Please pay attention to the signage.

Thank you for your patience with all of these endeavors. Please know that you and your families are in my prayers, especially at the Altar of Our Lord.

Pastor's Corner

Dear Parishioners,

I hope you are having a great and blessed summer! Here are a few updates on the parish:

-We were blessed to have Fr. Rice of the Canons Regular of St. John Cantius with us for the months of May & June. We all wish he could have stayed longer. He was a great help and will be missed! It makes a world of difference to have a third priest in the schedule rotation, especially for sick calls and for Sunday confessions when the line is out the door. Please keep Father in your prayers. He keeps you in his.

-Fr. Byrne is still away caring for his beloved parents. They are appreciative of your continued prayers; Fr. Byrne assures you all of his.

-Fr. O'Reilly is on his way to the FSSP apostolate in Los Angeles, California. His farewell Mass and reception were beautiful and well-attended. We are very grateful to all the staff and volunteers that made it a success. Fr. O'Reilly thanks you for your prayers and support. He will be missed!

-The annual FSSP priest transfers have been announced. Fr. Franco and I are both staying put.

-You may have noticed that our "rear yard development project" is progressing. I don't have room to write a Russian Novel in the Pastor's Corner but suffice it to say that we are still jumping through many hoops (architects, county, county, county...). The area has been graded and the grass is growing; hopefully the roots take hold. The field is not yet operational, so please keep off the grass. The next steps will be a fence, concrete slabs, then the pavilion and the shed, and finally, the playground. We have to work with many different companies as we strive to find the best quality for the best price. Each company has their own schedules and waiting lists. A project of this size is a lot to juggle. We are advancing slowly, but surely.
